

JAMES FOWLER HIGH SCHOOL

CALGARY BOARD OF EDUCATION

ABOUT THE SCHOOL

Students at James Fowler come from a wide variety of linguistic, cultural, family, and educational backgrounds. The school embraces its diversity and operates under the principle that each individual has intrinsic value. With this outlook, the staff cultivates a positive and meaningful relationship with all students. James Fowler is home to a unique arts centered learning program, in which teachers and students engage in the core curriculums (Science, Math, English, and Social Studies) by using the arts as entry point of understanding and expression. The school also offers a Knowledge and Employability Program.
