

ABOUT THE SCHOOL

At Accelerated School, each student has an individual educational program set up to meet the specific needs of the student. Accelerated School has a unique approach to education, centered on the individual educational program. Accelerated School provides a computer intensive education. They enroll approximately 65 students per year, including about 5 international students. School starts any day of the year, making this an excellent option for students who need a flexible start.

FACILITIES

The school consists of three buildings, a cottage that was transformed into the main school building, and two other buildings that provide students with a comfortable and safe environment.
