

ABOUT THE DISTRICT

Chicago Public Schools is the third largest district in the United States, offering a multitude of courses, sports, clubs and other activities. With a goal to provide unique learning opportunities to its students inside and outside the classroom, new programs are looking to help those who are interested in moving up in their education. Some of these programs include the Chicago Book Clubs, the Chicago Math and Science Initiative, and the Chicago Reading Initiative.

COMMUNITY PROFILE

Chicago is the third largest city in the United State and is located next to the Great Lakes. Summers are hot and winters are cold, but there are plenty of places to visit and things to do year round! There are countless places to eat, including high class restaurants and local food vendors. For those who love to shop, there is the famous "Magnificent Mile", which has stores like Saks Fifth Avenue and Nordstrom, jewelry stores, and boutiques.

Population: 2,705,994
