

ABOUT THE DISTRICT

Clark County School District is the fifth largest school district in the United States, dealing with more than 311,000 students. This high number of students allows the district to have a variety of academic, athletic and extracurricular activities in which F-1 students can participate in. With an assortment of Advanced Placement classes, and teachers who care and strive to help their students however they can, this is a great district for international students.

FACILITIES

With extensive athletic facilities and beautiful campuses where students can enjoy the amazing year-round weather, Clark County Schools offer everything that a student could want.
