

ABOUT THE DISTRICT

The Bonneville Joint School District's goal is to prepare all students for a successful future. One of the main developments in the district is the focus on science, technology, engineering, and math (STEM). The district believes this focus will help prepare students to participate, contribute, and compete in the ever changing global economy. The district was also a recipient of the 4th Annual AP District Honor Roll. Hillcrest also offers 3 Month Programs.

COMMUNITY PROFILE

Idaho Falls is a dream town for the outdoor adventurer. This area offers incredible views of the waterfalls and Grand Teton Mountains (only 90 minutes away) and the Snake River is a world class fly fishing location. The Bonneville high schools have ski clubs that take students to local mountains as well as famous venues such as Jackson Hole, WY. The famous Yellowstone National Park is also less than 2 hours away!
