

## ABOUT THE SCHOOL

Bayside Secondary School offers a dynamic learning environment situated on a 200-acre campus, the largest in North America. The quality of the academic program reflects itself in the many postsecondary scholarships students receive, the award winning Music and Art programs and the top place finishes at the Provincial and national math and science competitions. Programs such as French Immersion and Advanced Placement (AP) offer opportunities for students to enrich their studies. Extended programs are also offered in Languages, Computer Studies, Technology and Outdoor Education.
