

ABOUT THE SCHOOL

Centennial Secondary School is committed to excellence in academics, athletics and the arts. The overall goal of the school is for each staff member and student to exceed expectations. Centennial Secondary has made many partnerships within the community, giving students unique opportunities they may not have at another school. These partnerships give student a chance to experience the arts, community service, sciences and technology outside of the classroom. Students looking for a school with strong academics and high standards will find Centennial Secondary School to be a good option.
