# COMMUNITY PROFILE

With a population of over 100,000 residents, Kelowna is the largest city in the Okanagan Valley. Kelowna is an amazing area, with 90% of its residents surveyed saying the city is a great place to live. During the summer months, residents enjoy boating swimming and fishing. In the winter, skiing and snowboarding become the activities of choice. There are plenty of restaurants, shopping areas and vibrant cultural spots. Combine of all these amenities with the picturesque landscapes around the Okanagan Lake and there are not many better locations in Canada than Kelowna.
