

## ABOUT THE SCHOOL

Thomas Haney Secondary School focuses on teaching its students the skills they will need for the future. The school keeps up to date with the latest in teaching methods to ensure all students are receiving the best education possible. Thomas Haney Secondary recognizes that all students learn in different ways and gives each student the attention he or she needs to succeed. The school stresses the importance of each student taking responsibility for their own learning. Thomas Haney Secondary provides a great atmosphere for students to learn and develop over the course of their educational experience.
