

ABOUT THE DISTRICT

Poudre is the 9th largest school district in Colorado, offering a high-performing educational program and many Advanced Placement courses. PSD has received seven Blue Ribbons from the US Department of Education since 2003 and led students to win dozens of world, national, and state championships in theater, athletics, arts, music, writing, and science due to its outstanding guidance, support, and encouraging culture! Poudre provides students with a variety of athletic opportunities and each high school has a full-time Athletic Director who is charged with overseeing the athletic programs.
